Court Decision In Wyatt Case Favors District Hospital

Judge Stoll Rules Board Has Right To Refuse To Admit Doctor

Superior Judge Vernon Stoll, in a decision handed down February 26, has ruled for the Tahoe Forest Hospital in the action brought by Dr. Thomas Daniel Wyatt of Crystal Bay, Nev.

Dr. Wyatt had sued the hospital and its board of directors to force them to permit him to practice in the hospital, and also for $25,000 damages. During the trial the request for damages was dropped by the plaintiff.

The court held that a licensed physician does not, by virtue of his license, have a constitutional right to practice in a public hospital. Those who do so, the opinion added, do so by virtue of a privilege granted.

"It appears to the court," the opinion said, "that in view of the fact that the hospital herein involved is a public hospital, and although for the public protection and the harmonious operation thereof, the board of trustees must have a high degree of discretion, still there must be some control over its exercise. There exists something more than a privilege, something less than a right—a sort of a qualified right may turn on the determination by the board of the question as to whether or not those responsible for its granting believe that the applicant will fit into the organization. Any conclusion which the board might reach, if not arbitrary, would be final."

The ruling went on to say: "Without further discussing the evident, the court believes that the board of trustees had before it substantial evidence upon which it could base its determination to refuse admission of complainant to the medical staff."

Hazel Box Expires; Funeral Held Here

Graveside rites were held at the Truckee cemetery yesterday afternoon at 2 p.m. for Mrs. Hazel Marie Box, 47, a former well known Truckee resident, who expired Sunday, March 9 at Marysville. She had been ill for the past several weeks. The Truckee Colonial Mortuary had charge of local arrangements.

Mrs. Box is survived by her husband, Allan and a son, Raymond Roberts, both of Oroville; her father, Ernest Brown of Oregon; two sisters, Mrs. Gion Tate of Dorham, Calif. and Mrs. Raymond Rhoades of San Diego and one brother, Carle Brown of North San Juan. She was a native of Williams, Colusa County.

She was a member of Summit Temple, Pythian Sisters of Truckee and Amapola Chapter, No. 199, Order of Eastern Star and the Native Daughters of the Golden West at Oroville. She also served as secretary for the Truckee Outdoor Sportsmen for some time and was active in local affairs.

Funeral services were held yesterday morning at Marysville.

TAHOE FIREMEN WILL DANCE SATURDAY

Preparations have been completed for the annual St. Patrick's Day ball, sponsored by the Tahoe City Volunteer Fire Department for Saturday night at Tahoe Inn.

An orchestra has been engaged for the occasion and a large turnout is expected to join the festivities. Refreshments will be served and everyone is invited to attend.

STOLEN SKIS FOUND BY LOCAL OFFICERS

Officers of the sheriff's department are recovering stolen skis just about as fast as they are taken.

More than $400 worth of skis stolen from the Donner Summit area have been recovered and returned to their owners but the thieves are still at large, Deputy Emery Lander declared.

During the past several weeks skis have been taken from atop cars or from snowbanks where they were stored. A number were found cached near the Truckee cemetery and others back of the Ralph Rowton Service Station at Soda Springs.

Files For Water

SACRAMENTO (CNS) — The state water rights board reported it has received an application from the U.S. Bureau of Reclamation, Salt Lake City, Utah, for 30,000 acre feet of water a year from Prosser Creek, a tributary of the Truckee River.

The application said the project, to cost some $5 million, would provide water for fish culture, flood control, recreation and irrigation of 96,800 acres of agricultural land.

Commission Meets At Squaw Valley On Routine Items

A meeting of the California Olympic Commission will be held at Squaw Valley Lodge Saturday afternoon at 2 p.m. where only routine business will be transacted.

The principal purpose of the local visit is to give the commissioners a first-hand opportunity to scan the site for the 1960 Winter Olympics and view the progress which has been made toward providing facilities.

No controversial matters will be taken up, such as land acquisition, compacted snow parking or other similar matters which are in the process of being solved. The agenda will deal with contract matters, extension of completion dates on the lift, changes in Phase No. 1 building and similar items.

Attending the meeting will be Commissioners Alan Christensen of San Francisco; S. W. Royce of Pasadena; A. Andrew Hauk of Los Angeles and Walter M. Barrett of Truckee, as well as H. D. Thoreau, executive secretary.

The commission is studying the recent proposals made by Wayne Poulsen, principal land owner of Squaw Valley to settle the land controversy, but no immediate action is expected on this matter until engineers and others have had an opportunity to thoroughly explore the compromise suuggestions.

Gateway Sewer Work Scheduled

The possibility that work can be started on installing the new sewer system in the Gateway Park residential area early in May, loomed today following communication from Paul H. Chamberlain, attorney for the Truckee Sanitary District.

J. J. McGlade, district secretary, said Chamberlain had advised him that within a few days, the required resolution of intention to be passed by the board will be forthcoming, paving the way for early start on the project, already approved by the board.

The board has passed four resolutions required to get the work underway, the first being one requesting the recommendation of the county health officer, the second determing to undertake special assessment to finance the project, the third requesting the consent of the board of supervisors to undertake the establishment of an assessment district and a minute order for the convenience of the board of supervisors.

The residents of the Gateway area several months ago petitioned to be annexed to the district and since that time a number of legal technicalities have been overcome and McGlade announced this week that from all indications, the task is near completion and that in the near future actual work can be commenced to provide the sorely needed service.

Robert Hacketts Are Parents of Twin Boys

Mr. and Mrs. Robert Hackett of Truckee are the happy parents of twin sons born at the Tahoe Forest Hospital March 12. The first boy was born at 7:28 a.m. and weighed 6 pounds, 11 ounces. His younger brother arrived six minutes later and weighed 4 pounds, 2½ ounces. Mrs. Hackett and the children were reported doing well.

DR. DeMERS FATHER OF SECOND DAUGHTER

Dr. Albert DeMers, Truckee optometrist, was receiving congratulations and passing out cigars following the arrival of their second daughter last Thursday at Los Angeles.

The little girl weighed a plump 7 pounds, 12 ounces and has been named Karen. Dr. DeMers reported that his family is doing well.

LOCAL GIRLS APPEAR ON TELEVISION SHOW

Girl Scouts of Sierra Nevada Council, including Donner Troop No. 132 took part on a television program at Reno Monday in conjunction with Girl Scout week.

Linda Banyard represented the local group and was accompanied to the studio by her mother and Girl Scout leader, Mrs. Robert Leamon, Mrs. William Englehart, Bruce and Marcia Leamon.

Chambers Urging Favorable Vote On Port District

Balloting Is Set For April 8 To Decide On Local Airport District

The importance of an affirmative vote on the election April 8 to determine whether or not an airport district shall be formed to embrace the present Tahoe Truckee Unified School District, is exemplified in a resolution passed by the Truckee Chamber of Commerce directors yesterday.

A similar resolution will be presented by the Lake Tahoe Sierra Chamber of Commerce immediately ,President Fred Schulutz declared.

The resolution passed by the local directors follows:

RESOLUTION

WHEREAS, the Board of Directors of the Truckee Chamber of Commerce believes in the great possibilities of private and commercial air service in the Tahoe-Truckee area; and,

WHEREAS, the Board of Directors believes that the remarkable growth of aviation in California and throughout our nation will continue and even accelerate during the next several years; and,

WHEREAS, the Board of Directors believes that business flying as well as air-carrier service for vacation and recreation purposes has become an established fact, and that many other vacation and recreational areas are developing and expanding such airports; and,

WHEREAS, air-carrier companies have already indicated an interest of the establishment of an airport in this area, to the extent of offering to assist, by advancing funds to match Federal Aid funds in building an airport; and,

WHERAS, the district when formed wil participate in gas tax funds to the extent of not less than $2,500.00 per year; and,

WHEREAS, the formation of a District in this area will preclude the possibility of the local property owners, hereafter, having to pay taxes for a County airport serving some other part of the County; and

WHEREAS, there is an urgent need for close-by air faciilties for the coming 1960 Winter Olympics as well as for the future recreation and vacation travel into this area; and,

WHEREAS, the board of supervisors of Nevada and Placer Counties are calling an election on Thursday, April 8, to consider the formation of a Truckee-Tahoe Airport District to serve this area.

NOW THEREFORE, the board of directors of the Truckee Chamber of Commerce in regular meeting assembled does herewith unanimously endorse the formation of such an Airport District and urges a favorable yes vote by all the voters within the boundaries of the proposed District and be it further,

RESOLVED, that copies of this resolution be sent to the Sierra Sun and to all service clubs throughout the proposed District asking for their favorable consideration and endorsement.

ST. PATRICK'S THEME FOR CLUB LUNCHEON

The one o'clock luncheon meeting of the Wyethia Club, tomorrow in the club edifice will feature the St. Patrick's Day motif and members and guests are requested to include something green in their apparel.

A musical program will follow with Rene Hall playing piano selections and Carolyn Henry will be heard in vocal solos.

Hostesses for the affair will include Mesdames Henry Loehr, M. C. King, George Kaspian, W. D. Randall, Robert Roth, Dan Horman, Charles Heller, William Englehart, Jr., E. L. Loynd, Oscar Schumacher, G. Miller, Fred Pedley and Eugene Welch.

FILMS WILL FEATURE MEETING OF P.T.A.

Mrs. Preston Patnoude will have a preview showing of two films on human relations at the high school tonight as the program for the P.T.A. meeting. The films titled "Molly Grows Up" and "Human Heredity."

The parents will also have an opportunity to view the recently acquired basketball trophy won by the high school team.

Elmer Brown will preside at the business session.

SUNBEAMS

By WALTER M. BARRETT

Truckee, North Lake Tahoe and the Donner Summit areas will play a bigger part in the conduct of the 1960 Winter Olympics than has been brought out in the initial planning. These comparatively small communities will be charged with an international project—that of establishing good will in their position as hosts to the entire world. In order for the communities to better understand the importance of the position they hold, a meeting has been called for next Thursday at which time efforts will be made to establish an accommodation office in the region. An office, or offices, of this nature, right in the heart of the area where the games will be held, is, in our opinion, equally important to the offices at San Francisco, where planners are busy preparing for the games. The responsibility to be placed upon local communities is indeed a major one and considerable preparation is going to be required. The meeting next week will be only explanatory, but should bring into focus the urgent need for organization, planning and development of our resources and facilities so that the impression we leave on our thousands of visitors will be a lasting and good one.

AUDIT OF SANITARY DISTRICT AFFAIRS GIVES GOOD RESULT

A complete audit of the accounts of the Truckee Sanitary District has been submitted to the governing board by Brunker and Trathern of Grass Valley and shows the affairs of the district in excellent condition.

Minor changes to provide for closer budgeting of money so that an accurate accounting either, on a monthly or quarterly basis, can be had was suggested.

"We believe the clerk of the district, Mr. McGlade, deserves commendation for maintaining the records of the district in such fine order," the report said.

For the year ended June 30, 1957, the report shows that actual expenses were $6,597.07 while the budgeted expenditure called for $11,525, giving an excess of $6140 over expenses. Some of the expenses listed included board of directors' salaries, $1,170.57; clerk's salary, $698.78; legal fees, $1.047.25; engineering fees, $987.42; dump maintenance and repair, $518.67; sewer maintenance and repair, $701.02; street can pickup, $231; election expense, $221.96 and sundry other expenses.

EASTERN STAR WILL HOLD DINNER TUES.

There will be a pot-luck dinner for all Eastern Star members and their families on Tuesday, March 18. All those not contacted please bring a hot dish. This will be at 6:30 p.m.

This will be followed by the official visit of the deputy grand matron of the 12th District. All work will be exemplified, including an initiation.

Louise Anderson is chairman for the evening with Lillian Miller and Dan Anderson presiding.

IRISH FLAVOR WILL FEATURE DANCING

Square dancing will have an Irish flavor tomorrow evening at the Veterans Hall in Truckee, when the Donner Dancers will honor St. Patrick at their pot-luck supper-dance.

Supper will be served shortly after 7 p.m. Square and round dancing will follow. Visitors are welcome, but President Carroll Maynard and Treasurer Sophie Levra warn everyone to wear something green.

Preston and Charlotte Patnoude, Victor and Marsha McLane, and Randell Whitefield were guests at the dance last Friday.

From South—

Lieut. Howard Snider who has been stationed at Alabama is expected to receive his discharge from the military service soon and will visit his brother-in-law and sister, Mr. and Mrs. Dave Rose.

Community Gives Rousing Support To School Team

More Than $1000 Raised To Send Local Team To Las Vegas

There can no longer be any doubt that the community is behind its schools and particularly its championship basketball team.

More than $1000 was raised in a five-day period to finance the team's trip to Las Vegas where this week they are competing in the Nevada State championships against such high schools as Reno and Las Vegas.

Service clubs and individuals contributed generously and the "On to Vegas" benefit dinner at the high school cafeteria Saturday night attracted more than 200 diners to enoy the baked ham dinner and the program of music.

All the restaurant owners in Truckee turned out to prepare and serve the meals with the assistance of a large group of high school girls. With the exception of the ham, all items were donated for the meal. School officials, including Superintendent John Corbin and Principal William Sciutto donned aprons to give a hand.

James Chastain of Kings Beach was master of ceremonies during the entertainment period following the dinner. A four-piece orchestra, comprising Ross Price, Jim Johnson, Douglas Ball and Douglas Wilson played several numbers and Miss Carol Henry of Tahoe City pleased with a vocal solo. Chastain sang and accompanied himself on the guitar and all gave pleasing performances.

Coach James Brehler introduced his champions—Floyd Cooper, Kenny Vaughan, Kenny Osburn, Berger Nelson, L. J. Robinson, Craig Robinson, Dean Holbrook, Alan Young, Rex Donaldson, Gary Holbrook and Manager Griffith—as well as offering his thanks to the others who had assisted in the successful season. Coach Stan Drakulich was given a rousing ovation.

Corbin asked that the appreciation of the entire school as well as his personal thanks be expressed to everyone ,everywhere who gave assistance in the program to send the boys to Las Vegas.

Any surplus from the contributions will be placed in the student body fund to assist in future student activities. District funds are not available for these extracurricular activities.

The teams and their rooters will be home Sunday. Only expenses of the team's members, their coach and principal are being paid for the money collected, Corbin explained.

RED CROSS DRIVE IS DELAYED TO APR. 7

Because of the present weather and work conditions and due to several conflicting events of similar nature, George Kaspian, chairman for the annual Red Cross fund drive, this week announced that the local campaign will be postponed until April 7.

It had been originally planned to start the drive next Monday, March 17.

PRECIPITATION NOW IS EQUAL TO JUNE 30

Precipitation recorded in Truckee to date is equal to the figure usually recorded on June 30, Henry Toccalini of the U.S. Forest Service reported.

During the past week, the 12 inches of snow which fell added another .74 of an inch of precipitation to bring the season's total to 27.01, while the average to June 30 is 27.04, Toccalini said the records show.

Chilly weather with a low of zero on Sunday and a high of 43 last Friday has prevailed in the area this week. There are 33 inches of snow on the ground.

Cuts Nose—

Daven Morey, son of Mr. and Mrs. Daven Morey of Gateway had several stitches taken in the tip of his nose Tuesday after a clothes rack at the high school toppled and struck the boy.

In Hospital—

Mrs. Charles Heller entered the Tahoe Forest Hospital this week with a severe sinus and cold condition.

From Oregon—

Local friends of Cleo Klein of Salem, Ore., were happy to see her during her visit last week.

Board Will Again Vote On Sales Tax At Meeting Today

Members of the Nevada County Board of Supervisors today will take action on a county-wide sales tax ordinance.

Although it was indicated last week that the proponents of the tax had mustered sufficient votes to pass the measure, Chairman H. G. Loehr of Truckee today said he believes the picture has again changed and that the deadlock will remain until an equal distribution arrangement between the two incorporated cities, the rural area and the county can be reached.

Some of the rural districts are contending that the county—if it is a county tax being requested —should receive more than the 10 or 20 percent offered by the cities.

Under the present conditions, Truckee and this area, which would collect a large percentage of the tax would share only as it has in the past.

Federal Funds For Olympics Assured

According to a press dispatch from Washington Tuesday a bill to provide a sports arena and other facilities for the 1960 Winter Olympic Games got quick approval from the house armed services committee that day.

Chairman Vinson, Democrat of Georgia, steered the bill swiftly through the committee and said he would try to have rules suspended for quick action in the house. The senate already has approved the measure.

Witnesses said prompt authorization is imperative because of the short construction season in the Placer County mountain area where the main facilities would be built.

The bill authorizes construction on United States land of a sports arena at government expense and clears the way for the military services to help with such facilities as their specialized cold weather transportation and communication equipment.

Assistant Secretary of Defense William Francis told the committee the work contemplated in the bill would cost under $4,000,000. He said California has appropriated $7,995,000 state funds for the Olympic facilities and is spending $43,000,000 more on an accelerated access road program.

NAMES PROPOSED AS FIRE COMMISSIONERS

The members of the Truckee Volunteer Fire Department at their meeting Tuesday night voted to recommend the names of A. Pace, Elden Tonini and Roy Waters as members of the Truckee Fire Commission. All members have indicated they will resign and Supervisor H. G. Loehr is expected to ask the board of supervisors today to name successors.

Those whose terms are expiring and who do not wish to continue to serve on the board are Rex Thomas and Earl Stice. Pace, chairman of the group, has agreed to continue to serve if appointed.

The firemen also Tuesday night decided to investigate the possibility of installing a firehouse at Meadow Park to house equipment during the summer months, Chief N. F. Dolley reported.

THIEVES TAKE TWO WHEELS OFF AUTO

Thieves last week jacked up the rear end of a 1957 Chevrolet convertible belonging to John Sidon of the Sierra Club, removed the two rear wheels and then dropped the wheelless vehicle back into the snow. A short time later, Auburn police reported to Deputy Emery Lander here that the wheels had been found in a car which had been picked up there.

LUSHENKO INDICTED FOR BAY AREA THEFT

The San Francisco Grand Jury indicted Ronald W. Lushenko and Michael Thomas, both 27 and both of Sacramento, on charges of hijacking $25,000 worth of coffee here.

The two are accused of stealing a truckload of coffee from the DiSalvo Trucking Co. on January 15.

Lushenko is in custody. Thomas, a truck driver, is still being sought by police.

Olympic Planning Meet To Be Held Here Next Week

Accommodation Offices In Area Proposed For 1960 Games

Representatives of civic organizations, hotel, motel and all other business people in the Truckee-North Tahoe-Donner area are being invited to attend a luncheon meeting at Smart's Thursday, March 20, for the purpose of formulating plans for civic accommodation offices for the 1960 Winter Olympic games.

Louis Spitz, director of the Olympic Committee's Housing Committee said the proposed program is designed to eliminate public apprehension concerning the availability of housing throughout the area during the February dates of the games.

Attending the meeting for the purpose of discussing the problems facing the committee will be Spitz, Alan Ewen, assistant director of the organizing committee; Richard C. Ham, chairman of the housing committee and other Olympic officials concerned with this vital phase of the project.

"We're forming these offices in order to assure an atmosphere of true western hospitality for the thousands who'll gather in California and Nevada for the 1960 games, said Spitz. "We know people will come to see this once-in-a-lifetime classic providing they know they'll have a place to stay."

The organizing committee plans to cooperate with local organizations in establishing offices to be formed and operated by civic service groups in the various involved areas. Under the plan, these offices will become responsible for the solicitation and classification of units in a particular location and will be prepared to process accommodation requests.

When operative, these offices will serve as housing bureaus and will be available to receive deposits and confirm reservations.

Burglaries Probed At Donner Lake

At least 10 and possibly more unoccupied homes by Donner Lake have been burglarized during the past two weeks, but strangely enough nothing of value has been taken.

Deputies Roy Waters, Emery Lander and Roger Johns have been kept busy investigating the illegal entries and hope soon to find the culprits responsible.

In nearly every instance, the method of operation has been the same. A pane of glass is broken near a window lock and entrance is gained through the window, after which the doors are opened to admit the second of a pair. Indications are that at least in some cases the second party is a woman.

In some cases, the burglars apparently spent one of two days in the house, utilizing the food, beds and leaving dishes and utensils dirty and cooked food in the pans or on the tables.

Thus far the officers have discovered nothing of value missing and radios, etc. have been left undamaged. Lander expressed the opinion that the unoccupied houses are being used by vacationers who prefer not to rent rooms during their stay in the area.

Among the homes entered were those of Dr. Carroll, Johnson Wood, Weidemann, Dixon, Stetson, McDermott and Kendall. Owners of others were not immediately learned by the officers.

SHORT TIME LEFT TO REGISTER TO VOTE

County Clerk L. Rechenmacher of Placer County has again called attention to the fact that those desiring to vote at the school election on May 20 must be properly registered by March 27. April 10 is the last day to register for the primary election to be held June 3.

These dates apply both in Placer and Nevada counties.

VETERANS' OFFICER TO BE HERE FRIDAY

Weather permitting, a representative from the Nevada County Veterans' Service office will be in Truckee on Friday, March 14. Between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, justice court, during the hours indicated.

Will Incorporate

SACRAMENTO (CNS) — Secretary of State Frank M. Jordan announced today the Nevada Management Co., a Nevada firm, has filed articles to incorporate in California, to be capitalized at $300,000 in $100 per shares.

The firm, which listed its purpose as any lawful business, listed its California address as the Hilltop Lodge, Truckee.

Roald Amundsen, Norwegian explorer, was the first man to reach the South Pole on December 14, 1911.

Gaggle is a word used in referring to a number geese, as "a gaggle of geese."

ICE HOCKEY RACES TO BE AT SQUAW

OLSO, Norway—The International Ice Hockey Federation decided to hold both the world and Olympic championships at Squaw Valley, Calif., in 1960.

The 26-member-nations of the IIHF voted unanimously to take part in the Squaw Valley Olmpics. They also decided not to include the European championship in the hockey tournament there.

Decision was deferred on whether to organize a separate European championship or whether to abandon the European tourney for that year. Germany has made a tentative bid to hold the 1960 European championship in Garmisch.

The IIHF made its decision to clude hockey in the Squaw Valley program after hearing Prentise Hale, chairman of the Californian Organizing Committee, explain the set-up there. Hale promised one indoor and two outdoor rinks for the tournament.

Seven nations promptly signified their intention of competing at Squaw Valley — the United States, Canada, Sweden, Switzerland, Russia, Poland, and Czechoslovakia. Other nations are expected to enter later.

Lake Mead, which dams the Colorado River, is the nation's largest reservoir, with a capacity of 31,142,000 acre feet.

LINDSAY'S BILL TO PROVIDE CURFEW ON SCHOOL FETES

SACRAMENT (CNS) — A rural assemblyman announced he is considering introducing legislation at the special session in March which would outlaw any extra curricular activities of school students after 6 p.m. during the first four days of the week.

Assemblyman Francis C. Lindsay (R-Loomis) said he had received strong support for such a move from people in his district.

The bill, which would prohibit the school from permitting or requiring participation in such activities, would include sports events, glee clubs or choirs and the like.

Lindsay admitted the measure was quite severe and invited comment from interested persons.

"I have mothers in my district who say they object to having their daughters attend out-of-town basketball games on Tuesday nights, not getting home until midnight or one in the morning," Lindsay said. "Then the next morning they have to get up at five to catch a bus to go to a school 15 miles away."

While Gov. Goodwin J. Knight called the special session of the legislature primarily to consider requiring more academic subjects in the public schools and to permit participation in federal scholarships, he has said the call would be broad enough ot include all features of education.

GAIL GORDON GIVEN HONORS AT SESSION

GRASS VALLEY — Gail Gordon, regional business agent for the AFL Carpenters Union, has returned from Monterey where last week he attended the annual sessions of the State Council of Carpenters.

The Grass Valley man was paid two honors during the Monterey convention. He was elected to the state executive board representing the Fourth District of 21 northeastern California counties and he had the honor of escorting Governor Goodwin J. Knight to the speakers platform where the state executive addressed the Carpenters and received a very warm ovation.

Gordon said that the business outlook as viewed by the Council was much better than believed.

Gordon recently announced he would be a candidate for the post of public administrator for Nevada County.

DRIVERS 25-34 HAVE MOST CAR MISHAPS

SACRAMENTO — Of all drivers involved in traffic accidents in California, the greatest number are between the ages of 25 and 34, according to records kept by the California Highway Patrol.

Each year about one-fourth of all drivers involved in traffic accidents in this state are between 25 and 34 years of age," declared Commissioner B. R. Caldwell. "The 14 to 24 year age group run a close second with just under 24 percent of the total drivers involved.

"Approximately the same ratio holds true in analyzing the drivers in fatal accidents, Caldwell stated. "The 25 to 34 year ago group made up 26 percent of the total drivers involved in fatal accidents while the 14 to 24 year age group made up 24 percent of the total involved.

"A composite of the records indicates that a man between the ages of 25 and 34 driving too fast for conditions or violating a right-of-way is most apt to become involved in a fatal or injury traffic accident between 4 and 5 p.m. on a city street," he continued. "The man will be driving a passenger car on a Saturday or Sunday in clear weather on dry pavement.

"He will have at least 11 years driving experience and be driving in an area not controlled by signs or signals," he said. "The only element in this picture actually creating the accident hazard is the violation of the traffic law; without it, he probably would not have been involved."

Nine major varieties of wheat are grown in California.

WEST COUNTY GROUP STUDIES DISTRICTS

GRASS VALLEY — The Grass Valley Junior Chamber of Commerce launched a political study intended to lead eventually to a more equitable representation of all voters in Nevada County's five supervisorial districts.

The study began with the mailing of requests to county clerks of all California counties asking for breakdowns of numbers of residents and voters by districts.

In describing Nevada County's representation by districts, the letter reads in part:

"The representation proportion is so out of line that, in fact, one supervisor represents only 145 voters while another represents 5439."

The letters were prepared and mailed by a subcommittee working under the civics and government affairs committee headed by Don Davis.

At a meeting recently Peter Ingram, committee member, said three of the county's five supervisors represented only 19.25 percent of the voters while two supervisors, a minority from Nevada City and Grass Valley districts, represent 80.75 percent of the voters.

NOTICE OF INTENDED SALE

STRICTLY STRICKLAND

By Bill Strickland

It probably wasn't noticed, we mean the absence of a column last week. But, there were so many ski events taking place that we were too late for the deadline by the time all results were obtained.

So, if this is old news to you, we offer our apologies. If you haven't seen the results, then it is, of course, news.

In the San Francisco Examiner's sponsored North-South race held in the Yosemite the North came away with their second consecutive victory in as many years. Jim Baker, team captain for the North, and now skiing for the Reno Ski Bowl, led the way with superlative runs in both the downhill and slalom—as has been Jim's way for the past several years. The apparent ease with which he captured top honors was indicative of the outcome. His combined margin of approximately 15 seconds started a trend that couldn't be overcome. What a terrific candidate Jim would be for the Olympic team, if he were still an amateur.

On the same dates the Sacramento Bee was holding its team trophy race. This one at Donner Ski Ranch attracted over 170 entrants all told. The largest field to ever participate and certainly one of the finest. Squaw Valley's No. 1 team of Yves Latrielle, Joe Aukenthaler, Smiley Tschopp and Sherry Thatcher had the best total times. We were xtremely interested in three other racers though. All juniors, and because of a new F.W.S.A. ruling, not allowed to compete against the big boys and girls—except in fun races. Starr Walton, 16, and skiing for the Sugar Bowl not only led all the girls, she won by over 5 seconds. Kit Schull, 17, was second only to Yves Latrielle, who has merely been a Canadian champion. And, Luggi Foeger's 13-year-old son, Chris, placed fifth in this star-studded field. Can't ski with the big boys, eh. It's a good thing perhaps, because most of the seniors would be relegated to a second division standard if they did. Incidentally, Smiley and Sherry are junior skiers also, they were second and fourth in the women's field.

* * *

Now for some up-to-date events. The third junior point race has just been concluded at the Reno Ski Bowl. This meet encompassed Nordic events as well as Alpine, to determine the F.W.S.A. representatives for cross-country, jumping and combined selections. The top four cross-country runners, top three jumpers and top three combined men will comprise the 10-man Nordic team. The cross-country race was held Friday—Dan Hedlund of Heavenly Valley, Bob Strickland of Soda Springs. Jon Madsen and Wayne McGee of Reno were the four fastest in that four-mile test of strength and endurance and will be this division's representatives at Winter Park, Colo., March 20-21-22-23. All four of these youngsters have been stand-out competitors all winter, and will give an excellent accounting when they run up against the best from the rest of the nation.

In the slalom events, results were just about as every one anticipated. Kit Schull and Starr Walton dominated the field. Kit, however, was pressed all the way by Gary McCoy of Mammoth. Don Murphy also of Mammoth and Dave Wakeman of the Edelweiss — in that order—the top 10 for point selection after the above four were Mike Foley, Dodge Ridge; Larry Williams, Mammoth; Doug Salter, Reno; Dennis Hogan, Reno; Ni Orsi, Edelweiss and Bruce Batchelter of Mammoth.

Following Starr in the girls' division were Patty Nast, Sugar Bowl; Linda Smith, Reno; 13-year-old Cindy Hart, Reno; Dee-Dee Tschoop, Squaw-Tahoe; Lee Ann Zimmerman, Reno; Smiley Tschopp, Squaw-Tahoe; Pat Bacon, Squaw-Tahoe; Judy Fransinetti, Edelweiss and Joyce Boege, Big Bear Winter Club.

In the downhill, Gary McCoy led the way with a blistering 135.0. Kit Schull, second, 137.1. Mike Fely, third, 139.0. And get this one—Jon Reveal another 13-year-old, Class III, skiing for Dodge Ridge, fourth, 139.3. Larry William, Mammoth, and Don Murphy, Mammoth, tie for fifth, 140.7. Spider Sobich, Edelweiss, anther 13-year-old, Class III, seventh, 141.3.

Dennis Hogan, Reno, 141.6, eighth; John Madsen, Reno, 142.1, ninth; Doug Salter, Reno, 142.8, tenth.

In the girls' downhill, Starr Walton made a clean sweep by winning handily in 142.0—almost 10 seconds faster than Smiley Tschopp, second place in 150.5.

Linda Smith, Reno, third, 152.8; Ginny Glass, Big Bear, fourth. 154.2; Pat Nast, Sugar Bowl, fifth, 157.7; Cindy Hart, Reno, sixth, 159.5; Mary Helen Reich, Sugar Bowl, seventh, 159.9; Judy Bacon, Squaw-Tahoe, eighth, 200.8 and a tie between March Francovich, Reno, and Deanna Gay, Edelweiss, 205.5.

In the jumping and consequently a team spot, Jim Chamberlain of Reno was first, followed by Doug Salter, also of Reno. Third spot went to Marshall Shore of the Edelweiss Red Hornet's.

Combined Nordic event winners: First, Dan Hedlund, Heavenly Valley; second, Wayne McGee, Reno; third, John Madsen, Reno.

Boys' Alpine team: Kit Schull, Squaw-Tahoe, 37½ points; Gary McCoy, Mammoth, 37 points; Don Murphy, Mammoth, 31½ points; Mike Foley, Dodge Ridge, p1 points; Dave Wakeman, Edelweiss, 20½ points; Dennis Hogan, Reno, 16 points; Jon Reveal, Dodge Ridge, 14 points; Larry Williams, Mammoth, 13½ points; Jon Madsen, Reno, 13 points; Bruce Batchelder, Mammoth, 13 points.

* * *

Alternates: Dick Kun, Big Bear, 12 points; Chris Foeger, Sugar Bowl, 12 points; Spider Sabich, Edelweiss, 12 points.

Girls' Alphine team: First, Starr Walton, Sugar Bowl, 40 points; second, Linda Smith, Reno, 32 points; third, Patty Nast, Sugar Bowl, 31 points; fourth, Mary Reich, Sugar Bowl, 27 points; fifth, tie, Cindy Hart, Reno, 23 points; Smiley Tschopp, Squaw-Tahoe, 23 points.

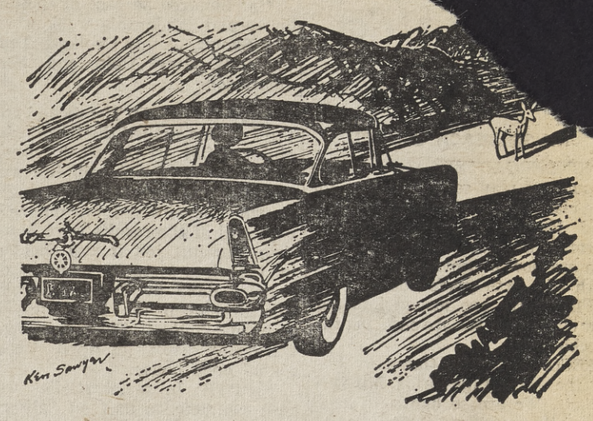
Some really fine competitors to represent the F.W.S.A. in national competition.

Ronnie Rau, I'm sorry to report, will not be a contender for the 1960 Winter Olympi cteam after all. To be considered for a team berth all aspirants must have competed against known qualities for a minimum of two years prior to tryouts. Ronnie therefore, had to race this year; the first of the two years of competition. He knew it was necessary; so, bad leg and all, he started his quest. His first two races—the D.H.C. at Sugar Bowl and the birthday slalom at Squaw Valley were necessary to earn an "A" rating. He won them both handily. Then to Sun Valley for a week's training and then to Aspen to train for the Roche cup. After that the nationals at Snow Basin, Ogden, Utah. With any kind of showing in the latter two he would have proven he was of Olympic caliber. The bad luck that has dogged him for the past four years though, caught up with him again on the sixth of March. He fell in a practice run and broke his right leg again for the fourth time. This time surgery was required and pins were put into the bone to aid in rehealing. He'll be out of action for two years now, and as a result this country has lost one of the finest for 1960.

Ronnie will be 19 on the 24th of this month; so even with this set-back, he still will have a lot of years of competition ahead of him, and, knowing him as well as we do, he'll be back trying again as soon as possible. He'll make it, too. We've predicted he would be the world's greatest one day. It's just going to take him a little longer to prove it now.

All of you juniors, on your way to or from the junior nationals at Winter Park, Colo., can stop by and say hello to him of you wish. He's at Valley View Hospital in Glenwood Springs, Colo.—that's on Highway 50 and right on your way.

Women At The



NIGHT SPEED—Speed should always go down with the sun, advises the California State Automobile Association. Drive at a speed which makes it possible for you to stop within a visible distance. In other words, don't "overdrive" your headlights.

AWAY FROM OFFICE

Area District Sanitarian R. L. Walker has been assigned to a survey task in the western end of the county and will be absent from his office here each Tuesday and Thursday until about May 1, he announced this week.

FINED

George Bacus of Tahoe Vista was fined $263 by Judge Charles T. Crowe of the Colfax-Alta Judicial District Court on a charge of drunk driving.

KINGS BEACH SCHOOL

KINDERGARTEN: Gary Martin brought a play service station for the class to enjoy. Sally Templeton and Patricia Sheridan brought records to share with the class. We are now occupying the former fifth and sixth grade room.

FIRST: We are moved into our new classroom. We are enjoying the blackboards.

SECOND-THIRD: Our new boy in the second grade is Mitchell Abbott. We are so happy to have him with us. The entire second grade completed their arithmetic textbooks this week.

THIRD-FOURTH: Bruce Templeton brought a very good book about American Indians for the class to use. We will be making our Indian costumes and masks soon.

FIFTH-SIXTH: We have been preparing for a final test on Peru and Bolivia. Everyone has passed adding and substracting fractions.

TAHOE LAKE SCHOOL NEWS

KINDERGARTEN: Tahoe Lake kindergarteners are starting on color and color names. The best papers this week were turned in by Laura Hoxie, Sally Starratt, Becky Yeager, and Sandy Poulsen.

FIRST-SECOND: We have begun a bulb planting project in our room this week. We planted six tulip bulbs and three hyacinth bulbs. As we planted we discussed what a bulb needs to grow. The second grade wrote the story and the first grade made pictures of the bulbs and the flowers they were to become. We now have our bulbs at 48 degrees temperature for several weeks after which we will bring them into the room to bloom.

One hundred percent in spelling in second grade this week were: Bro Shontz, Jimmy Caulkett, Tommy Hoff, Gary Albin, and Erik Henrikson.

SECOND-THIRD: The second and third grades studied the three principles of fine art this week; space, line and contrast. A still life was set up for the entire class to study. Drawing pencils and crayon were used. All of the results were more than amazing, but it was decided by the class to make mention of drawing done by Tabor Griswold who developed the best use of space and contrast. These drawings will be on display in April at the annual open house.

FOURTH: In social studies we have completed a unit on California in Spanish days. Our new unit will deal with the Americans coming west.

Each week we plan to have a "spell down" to determine the spelling champ for the week. Alex Cushing is the first holder of that title.

TRUCKEE ELEMENTARY

KINDERGARTEN: Our new 6-year-olds are Timmy Mosby and Steven Young, who celebrated their birthdays this past week.

We welcomed four new-comers this week. Steven Plant is a transfer from Oroville. His father is with a highway crew. Susan Raynor came from Reno. Her father is employed at Z Market. Druscella and Deborah Turner, daughters of Dr. Turner were also enrolled this week.

FIRST GRADE: We had an arithmetic achievement test on Friday. Most of the children knew all of the addition and subtraction combinations to six and could write the numbers to 100. Joe Reichlin could even write his numbers to 200.

The class has a new block construction set. The boys particularly have enjoyed making trains, trucks and other projects. They may play with these after they have finished their assigned work.

FIRST-SECOND: Brian Smart, Bruce Leamon, George Franceschini, Joe Merica and Jeffery Jellin, received perfect scores on their vocabulary test Friday.

Jerry Neugebauer celebrated his birthday Thursday March 6. Other March birthday's are: Joe Merica, March 18; Linda Russell, March 21; Jennifer O'Bear, March 23 and Victor Rice, March 26.

We enjoyed fingerpainting during the week. Tommy Romo's picture was chosen as the best by the children.

SECOND-THIRD: We are studyabout our community helpers in social studies. Phillip Risden and Bobby Goldsmith are in charge of the post office. Dennis Crandall and Bill Rose the grocery store, Wayne Mosby and Bruce King the doctor's office, Henry Frates and John Clark the bakery, Barry Waters and John Gholson the police station, Bruce Ayala, Danny Funk and Ronnie Walker the fire station, Marion Ayala and Darlynn Ingalls the telephone office, David Higgins and Diane Daly the dentist's office, Pamelia Horman, Darlene Doolittle, Mary Ann Moore and Michelle Harris the hospital, and John McGlade the airport.

FOURTH: Outstanding grades were awarded to John Sturcke and David Douglas for their fine work in social studies. Very good work was done by C. Ayala, J. Besio, S Borden, W. Dallas, D. Ellis, C Hintz, C. Lewis, D. Nelson, R Ralphs, and F. Wilson — all of whom scored 85 percent or better on a tricky social studies test. In arithemtic 22 members of the class have proven themselves able to do long division. Quite a struggle, but we made it. Spelling found 17 members (a decline of six) with perfect papers this past two weeks. The psychic powers of Dawn Maynard, the girl who knows who made chocolate cake on Thursday night, are amazing. Anne Morey wrote some rather interesting poetry which was read to the class. Class officers for March are Anne Morey, chairman; Monty Straub, co-chairman; and Teddy Daniels, secretary.

FIFTH: Skipper Jensen, David Sorani, Dennis Douglas, Jim Roth and Richard Gray gave special reports in social studies.

Linda Banyard and Marcia Leamon appeared on the Carol Guild TV program at 1:45 p.m., Monday. They represented the Girl Scouts from Truckee.

We are pleased to welcome Glenda Stark from the Freemont school in Santa Rosa.

SIXTH: Class election was held Monday. The officers for this month are: Leilani Braasch, Karey Kielhofer, and Bonnie Fair.

A review test was given Friday on addition, subtraction multiplication and division of fractions. Bobby Frates, Leilani Braasch, Ronald Brown, Susanna Sciutto, Norman Doolittle and Richard Sorani received 100 percent.

TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT MENU

March 17 Through March 21

Monday, March 17: Spanish rice, buttered green beans, carrot sticks, apple crisp, whole wheat bread and butter, milk.

Tuesday, March 18: Lasagna, cabbage and raisin salad, buttered corn, cherry cobbler, bread and butter, milk.

Wednesday, March 19: Cheeseburgers, celery and carrot sticks, buttered peas, peaches, milk.

Thursday, March 20: Sirloin tips and mashed potatoes, lettuce salad, buttered beans, fruit jello, French bread and butter, milk.

Friday, March 21: Tuna noodle casserole, Harvard beets, apricots, raisin bread and butter, milk.

TNT TIDINGS

by NANCY WATTS

for the next two weeks. Let's all TNT is having its 9th annual school carnival on Friday, March 21st. Called Fantasyland, the public is invited to attend on the only night it will be held. Tickets for the games will be 10 cents apiece, so everyone will be able to buy quite a few! Prizes, donated by the local merchants, will be awarded. Entertainment will be provided. The proceeds from these festivities will go to the treasury of the Tahoe-Truckee Yearbook, the "Chipmunk." The individual booth which makes the most money will have priority in the cafeteria line attend and make this the best carnival ever.

* * *

The junior class wishes to announce that the date for their prom has been set for May 24th. Bids cost eight dollars per couple, four dollars stag. The prom will be held in the high school gym and dinner will be served.

* * *

Last Friday, the eighth grade held their assembly in the gym. The theme was conservation. The show, consisting of a panel, with a representative from each class, students who asked questions, timers, and scorers, was an effort on the part of the whole class. Panalists were: 7th grade, Robert McCraie; 9th grade, Cynthia Reynolds; 10th grade, Larry Jellin; 11th grade; Bernice Plemons; 12th grade, Richard Decker. Since the sophomore representative answered the largest number of questions, his class treasury received the five silver dollars.

* * *

Bob Williams, at Kings Beach, and Varien Frey, at Truckee, won the Lions Club student speakers contest for this area. They will go to the Holiday Hotel in Reno, Saturday, to compete in the district finals. Good luck!

LAKE LEVEL

TAHOE CITY—Snow flurries with chilly winds have featured the weather picture at Tahoe City during the past week. The temperature dropped to a low of eight on Sunday and the high for the week was Friday with 41. With only 32 csf of water leaving the gates, the level of the lake Monday was 6227.90. There were 33 inches of snow on the ground.

CHURCH NOTES

TRUCKEE BIBLE CHURCH

The sub-teen group which meets each Friday afternoon at the home of Mrs. W. D. Randall is planning a party this Saturday in Tahoe City. For those who like the outdoor sports there will be skiing; inside will be ping pong and other games. We're looking forward to this time together Saturday afternoon.

The message Sunday in the current series on prophesy will have to do with the "Next World Empire." We invite you to worship with us.

INTERCOLLEGIATE BOXING MARCH 20-22

RENO—Tickets are moving rapidly in the advance sale for the Pacific Coast Intercollegiate boxing tournament to be held in Reno on March 20, 21 and 22.

Out-of-town fans are already writing in to reserve blocks of ringside seats for the three-day college ring classic.

A dozen collegiate teams wil be in Reno, some with both varsity and novice contestants. The novice division will be added to the regular open competition for the first time in history.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

COOKIE SALE

This Saturday, starting at 10 a.m., groups of girls representing the Girl Scouts, Brownies and Flyups will be coming around your house selling Girl Scout cookies. The cookies also will be on sale in the various stores in town and you will see posters made by the girls around town telling you of the cookie sale. It's always nice to have cookies on hand and I can't think of a better place to put your money than with these girls. When the girls ring your doorbell, be sure to have change on hand and buy at least a box.

WOMEN'S CLUB MEETS

A regular meeting of the Tahoe Women's Club was held Thursday, March 6, with Vice President Mrs. Milton Shontz presiding, as the president, Mrs. Don Snyder was out of town. About 24 women attended and a delicious luncheon was served.

FIREMEN'S BALL

This Saturday the much looked for event—the annual Volunteer Firemen's Ball—will be held at Tahoe Inn. The decorations will be extra special and the wives of the firmen have worked every evening this week getting things ready. If you haven't purchased a ticket don't give up as they will sell you one at the door. The proceeds will go for fire equipment and for the protection of you and your property. SEE YOU THERE.

OFF FOR HEMET

Joe and Marie Henry left this week for some relaxation and sunshine at Hemet where they will join the Mayfields, Andersons, the Spitsens and Carnells who have been vacationing in that area.

RED CROSS DRIVE

The annual Red Cross fund drive began March 1 and will continue through the month. Mrs. Louise Geier is again chairman of the Lake Tahoe area and has sent out letters requesting donations to both summer and year around residents. However, if you do not receive a letter your donation will be more than welcome if sent to Mrs. Geier, P. O. Box 552, Tahoe City. Make checks payable to American Red Cross.

Max Planck, German physics professor, is the father of the quantum theory, foundation of the atomic physics.

LES CICOGNI ACTIVE IN CAMPAIGN FOR FOR ASSESSOR POST

LES CICOGNI

Leslie J. Cicogni, one of the most popular and best known of Grass Valley's residents, and well known here where he often called as a deputy under former county assessor, William Tamblyn, was in Truckee Saturday in behalf of his campaign as a candidate for the office of Nevada County assessor.

Cicogni, whose interest in county assessment work and proceedure has been paramount as far back as seven years when he served under Tamblyn, has formally announced himself for the post.

Cicogni is a native of Central House, a few miles east of Nevada City but has spent most of his active life in Grass Valley where he attended school and majored in business and organization work.

In 1951 and for three busy years the candidate served as deputy assessor during the reappraisal period, thus gaining valuable experience for the position he seeks at the June primary election.

Cicogni was for many years on the Grass Valley city council and was mayor of that city two years.

He is a member of the fire department on which he served since 1938 and was elected chief in 1946 and president of Reliance Hose Company in 1942, again fill- that office this year.

He is a member of the Rifle, Rod and Gun Club and his hobbies are hunting and fishing. Cicogni has long been active in programs to protect fishing and hunting interests with his work on various fish and game committees. He is a member of the Rotary Club and served on the board of directors.

As a member of the city council from 1949 to 1957, the candidate's business ability, directional qualities and managerial capacities were proven. His assessment work gives him the required background and his familiarity with the problems for the job of all sections of the county provide him with all the necessary background for the office.

The candidate is married and with his wife and son, Robert, resides in Grass Valley.

Cicogni plans to come to this end of the county as often as his work will permit.

DR. SKLAR NAMED TO HEAD ROTARY DURING THIS YEAR

KINGS BEACH—At the regular meeting of the Rotary Club of Brockway held at Crystal Bay Club on Monday night, the following members were nominated to office for the year 1958-59: President, Dr. Allen Sklar; vice-president, Richard Springer; secretary, E. J. Stokes; treasurer, Wm. M. Martin; directors, Al Viera, Wiley Jones and Fred Baker.

President Baker appointed a committee to arrange for the annual Easter party for the children of the community which will be held on Saturday, April 5.

Guests of the evening were the varsity basketball team from the Truckee-Tahoe High School. Each member of the team was introduced by their coach, James Bruehler, who praised them for their fine teamwork and sportsmanship.

Later the meeting was turned over to Wiley Jones, who, being unable to secure a basketball film, showed one of the Big Ten Conference football season.

WRAY TELLS OF TRIP TO MEXICO AT MEET

TAHOE CITY—Due to business and vacation trips of several Tahoe City Rotarians, there were but 22 members in attendance at the March 4th dinner meeting at Tahoe Inn. Also, there were not the usual visiting Rotarians or guests.

For the after dinner program, President Warren Porter called on Bob Wray for a story on his vacation trip to Old Mexico. The trip by aeroplane from San Francisco was a salesmanship award by a chain-saw company for four northern California salesmen and their wives who flew into Old Mexico as far as Alcapolco. Bob told of unusual motor travel in visiting principal places of interest and, he told of incidents that taught him how to get around with less expense should be again travel in Old Mexico.

COUNTY GETS SHARE OF STATE ROAD TAX

SACRAMENTO (CNS) — Nevada County received a share of $23,071 in the $26,213,460 in highway users taxes which were apportioned in February, State Controller Robert C. Kirkwood reported today.

The total apportionment for February showed a decrease of $498,300, or 1.87 percent, from the amount distributed in the preceding month. It was down $15,077, or .06 percent from the amount apportioned in February, 1957.

The money was divided three ways, with the state highway fund receiving $17,538,910; counties $6,246,625; and cities, $2,427,925.

NOTICE OF REQUEST FOR BIDS

NOTICE IS HEREBY GIVEN that sealed bids, in duplicate, will be received by the Board of Directors of Truckee Public Utility District, Truckee, California, at the office of the District, Main Street, Truckee, until 3 P.M., April 10, 1958, for the purchase by this District of a load of poles in accordance with the specifications therefore which may be obtained at the office of the District. The Board reserves the right to reject any and all bids.

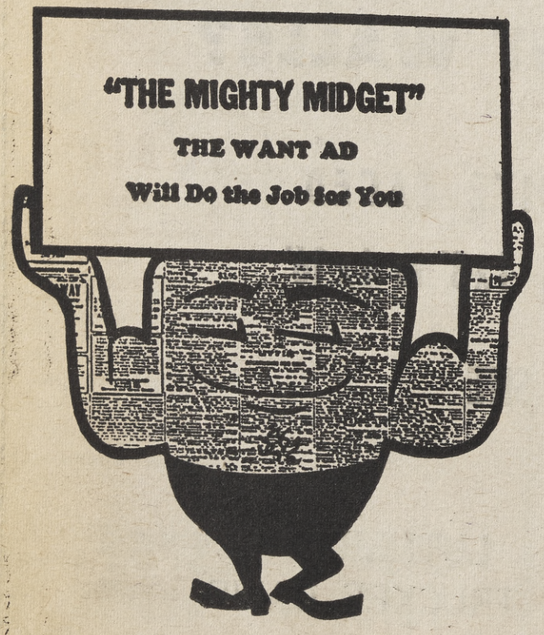
"THE MIGHTY MIDGET"

THE WANT AD

Will Do the Job for You



SIERRA SUN

NORTH TAHOE

By JUDGE HARRY CHARRISON

Weather

It was a cold week, 8 and 9 degrees every morning and not much above 30 during the day. Not much precipitation. The roads were good for travelers.

Tahoe

It was a delightful dinner party held at the Crystal Bay Club by the Lake Tahoe Lions Club March 4th. It was ladies's night and the student speakers contest, a large gathering attended. The winner was Bob Williams with Beverly Gunkell and Marlyn Plavel. The next contest will be held March 15 at the Holiday Hotel in Reno.

Register

Ruth Lavery says register now and be sure that you can vote at the June 3rd election. This is important to you, tell your friends, too. If Ruth is not at home phone Liberty 6-2424 or Liberty 6-2239 for an appointment.

Good Scout

Red Waddell, Scout leader in this area, and a dozen of his boys made a trip to a Reno skating rink last Saturday. Skeet Thompson and Larry Anderson assisted the boys say they had a wonderful time. The fund to send the basketball team to Las Vegas was raised to over a $1000, assisted generously by all of the service clubs. Many enthusiastic fans traveled to Las Vegas with the team and believe me they are all boosters. We are looking forward to seeing them bring back the bacon.

Cards

Had cards from Dr. Allan Sklar, who is enjoying life with Mrs. Sklar in Florida. Edwin and Thelma Liddle vacationing at Virginia and Pennsylvania say they are having lots of fun. Also a card from Bob and Mrs. Wray from Mexico. What fun these people have.

Optometrist

Yes, we have an optometrist in Kings Beach. A Dr. Albert J. DeMers and associates have opened an office upstairs at the Olsens of Tahoe Building. This is yet another convenience for the people of the area.

To Sacramento

Alice and Andy Sorensen took a trip to Sacramento to visit daughter and her husband, John Moore during the past week.

Sheriff Visits

Had a visit from Bill Scott, sheriff of Placer County on business We have adopted Bill as one of our favorite sons of this area.

Short Trip

Woody and Ruth Burris took a trip to Los Angeles on business and pleasure during the past week.

Little Helpers

Red Decker with his two sons, David and Don, did a good job last weekend gathering up lots of pitch to the delight of our household. It sure is a fire builder.

III

Andy Sorensen at the moment of writing is under the weather with a touch of the flu. Hope you are up and around by this time, Andy.

Ski Race

The Harvey Klitzkes, Sr., attended a jumping race at Sky Tavern on Mt. Rose. Harvey the third made four jumps with the intermediate class. In one of the jumps Harvey made a 39-foot jump.

Notary

Another convenience. Now we hear Earl Gray, prominent real estate man of Kings Beach, now is a notary public.

Nursery School

A fund raising card party will be held on March 21st at 8 p.m. at Carpenters Hall. Coffee and cake will be served for refreshments. Tickets are on sale at the door or contact one of the nursery school mothers.

District Meets

The regular meeting of the North Tahoe Fire Protection District was called by Chairman Jim Sergi March 6. Discussion was held regarding payment to the North Tahoe Fire Control Corporation to reimburse them for maintenance and operational costs for the fire department. Bills were presented by them in the amount of $1.204.41. Motion made by Sergi, that this and current bills, be presented to the county auditor for payment.

Letters were read from the forestry department in regards to building an apartment for their ranger stationed in this area. Their opinion was that the apartment must be built as per their contract with the North Tahoe Fire Control Corporation and stating their willingness to meet with the new fire commissioners in April in regard to this and other matters. The estimated cost of construction is between $20,000 and $25,000, which will be paid for by the taxpayers of the district. Mac Burroughs stated that the corporation hoped to have the building completed by the end of May. Sergi and Burroughs feel that the west way to meet the cost of the construction is by a loan to the corporation to be guaranteed by the district on a lease basis.

It was announced that there has been some discussion regarding turning the small fire engine over to the volunteer firemen for use outside the district if and when the other equipment is turned over to the district, since equipment in a legal district cannot leave that district except under a mutual old agreement.

The corporation said they would turn the large fire engine over to the district in the very near future. However, none of the rest of the equipment will not be turned over until they feel fully satisfied in regards to the construction at the firehouse. It was pointed out that the district has no funds for anything, other than borrowed money, until December, 1958. Mrs. Barkhurst read correspondence regarding a program to enable the district to be eligible for surplus properties.

As yet the corporation has not gotten together all the information necessary to present to the civil defense and disaster chapter and the district cannot come under the program until this is done. It is hoped that all the necessary information can be in by April 3rd, at which time the board and members of the volunteer firemen can meet with Walter Sady, chairman for the program of disaster and civil defense.

Packing back into the mountains this summer? Plan now to carry out your empty bottles and cans. Always leave a clean camp.

The first sugar beet processing plant in the United States was established at Alvarado, Alameda County, in 1871.

The forest fire season is about here again; always use the ash tray in your car.

CANDIDATES MAY NOW FILE PAPERS FOR MANY POSTS

Political aspirants for non-partisan county offices can make their intention offiically through March 28 by filing declarations of candidacy and paying filing fees with County Clerk John T. Trauner.

To date a number have declared orally their intention to file and those filing for judgeships have filed their declaration of intention to be candidates.

Non-partisan county offices open are superior judge, third district supervisor, fourth district supervisor, county clerk and auditor, superintendent of schools, sheriff, district attorney, treasurer and tax collector, assessor, recorder, Nevada City Judicial District Court judge, Grass Valley Judicial District Court judge, Truckee Judicial District Court Judge, county coroner, surveyor, public administrator.

In addition there will be elected 22 officers for both the democratic and republican parties and 21 for the prohibition party.

The primary election will be held June 3.

HUGE RENOVATION PROJECT IS STARTED

CRYSTAL BAY — A king-sized face lifting today was under way at the Tahoe Biltmore Hotel on Tahoe's north shore.

Reno's Nevada Club has obtained a $200,000 buliding permit for remodeling the club. Acquisitation by the Nevada Club of the lake property marked extension of another Reno casino into the Tahoe region.

Paul McAfee, Washoe County building inspector, said it was one of the biggest renovation jobs in the county history and certainly the largest since he took office two years ago.

The Reno casino purchased the hotel, racked by financial problems since its 1948 completion, last August for $421,000.

VETERANS MAY NOW FILE FOR EXEMPTIONS

County Assessor Charles Kitts and Veterans Service Officer H. E. Nolen announced jointly last week that veterans in this area may now file applications for annual tax exemptions in the assessor's office in the court house at Nevada City.

The officials pointed out that veterans often do not realize that requests for tax exemption of the first $1000 of their property must be renewed each year. Eligibility is limited to veterans who do not own property worth $5000 or more based on assessed valuations. The widows, widowed mothers or pensioned mothers and fathers of veterans also may qualify.

There are seven national forests in Arizona.

LAKE MEMBERS VISIT FERNLEY VFW MEET

KINGS BEACH— Members of Post No. 7077, VFW and Auxiliary attended the District 3 meeting in Fernley March 2. Stella Shaughenessy and Sam McDowell, president and commander, respectively, presided.

State Commander Ben Winn and State President Jeanne Shipley were present and stressed the need for all-out support on the five-point veterans' program and the fact that more effort is needed to reach the quota set by the national on membership.

Lake Tahoe Auxiliary has met the quota plus being the only one to date to be over. Sparks and Lake Tahoe are the first in the district to reach their membership quota but the winner of the trophy will not be announced until the department convention in June.

A life membership award to the National Home was presented to Nora Mueller of Carson City.

Josephine Vianie of Fernley was presented a pin from National Commander Roudebush for signing up the most members.

President Pearl Moore announced the total for the March of Dimes is now $1131.53.

The district convention will be held in Reno in May, the time and place to be announced later. Post 407 of Reno will be host.

Following the meeting a buffet was served by Fernley Auxiliary. Attending from Lake Tahoe were John S. Crenshaw, commander; Bill Dugan, Bill Elliott, Vera Wood, Bernita Jones and Pearl Moore.

Alcatraz Island in San Francisco Bay contains approximately 20 acres.

BOARD MEETINGS TRUCKEE PUBLIC

Truckee Public Utility District
Meets second and last Thursday of each month at 2 p.m. in the district's office.

Meets first Tuesday at 7:30 p.m. at Justice Court offices.

Tahoe-Truckee Unified School District
Meets second Tuesday each month at 8 p.m. at the high school.

Tahoe Forest Hospital District
Meets second Friday each month at 7 p.m. at the hospital.

Truckee Fire District
Meets first Tuesday each month at 10 a.m.

Truckee Cemetery District
Meets at call of Chirman W. M.

FINAL MEETING OF VFW FOR YEAR SOON

CRYSTAL BAY — John S. Crenshaw, commander, has announced that the final meting for the current year of Post No. 7077, Veterans of Foreign Wars at Lake Tahoe will be held March 19 at the Crystal Bay Club at 8 p. m. All Post members are urgently asked to attend this meeting.

Joint installation of newly elected officers will take place April 13 with the installing team of district and department officers from Reno officiating.

YOUTHS HELD AFTER STOLEN CAR FOUND

Two 15-year-old boys and a 17-year-old girl, all of Charleston, W.V., were turned over to Federal Bureau of Investigation officers following their apprehension here last week while traveling west in a stolen car.

The three stopped at Paul Capel's Standard Station at Gateway, filled the car with gas and sped off without paying, failed to stop at the quarantine station and were later stopped by the California Highway Patrol on Donner Summit.

TERM SUSPENDED

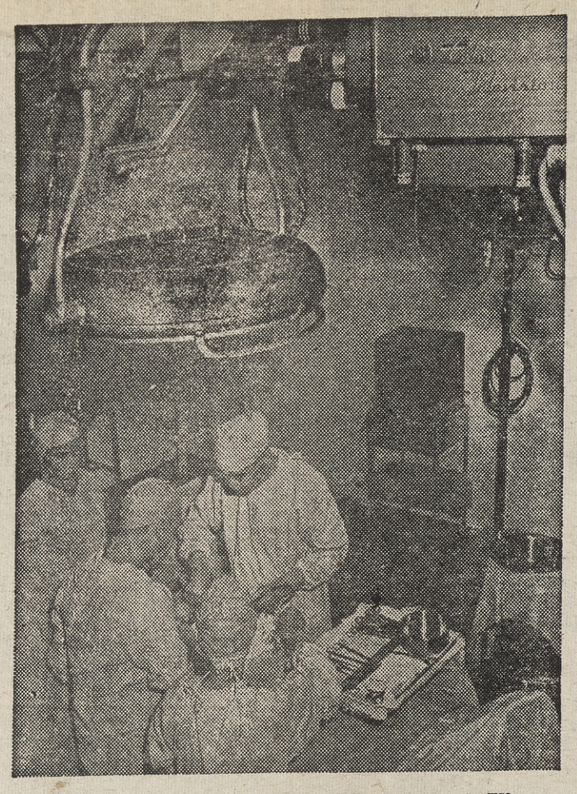
Mildred F. Baugus was found guilty of violating the county's sobriety ordinance and given a 30-day suspended sentence by Judge F. W. Wilson in the Truckee Judicial District Court.

Mr. and Mrs. William Englehart returned Friday from a two weeks' stay in Sacramento and Courtland.

CARD OF THANKS

It is with sincere appreciation that I take this means to thank my friends for the many kind and encouraging messages sent during a recent illness.

FRANK GIOVANNONI



MEDICAL INSTRUCTION—The new closed circuit TV system at Walter Reed Army Hospital allows students in distant rooms to get a closeup view of what is transpiring in the operating room as the surgeon talks through a microphone inside his mask. All camera operation is by remote control.

PLACER ASSESSORS WILL VISIT TAHOE

TAHOE CITY — Representatives from the Placer County Assessor's office will be in Tahoe City at the Community Hall, on April 24 and in Kings Beach at the North Tahoe P.U.D. office to assist property owners and veterans in filing their property statements personal property affidavits or veterans' exemption applications.

Assessor Lloyd S. Geraldson states that filing of the property statement or affidavit is mandatory under the law and must be done each year.

He also cautions all boat owners that their boats must be registered and numbered in order for them to be used on the public waterways of the state.

EAGLE RACE TO BE RUN AT BOWL SUN.

NORDEN—Weather and snow conditions permitting, the first standard eagle race of the season will be run Saturday at Sugar Bowl, Manager Walter Haug announced.

On Sunday, the third annual Alpineers Club FWSA sanctioned giant slalom will be held at the Sugar Bowl. The race is open to Classes A, B and C and many competitors are expected.

There are from eight to 15 feet of snow on the summit with eight inches of powder snow.

POT-LUCK SUPPER IS PLANNED BY CLUB

Members of the Truckee-Tahoe Forest Democratic Club met last Thursday to discuss plans for the pot-luck supper which will replace their next regular meeting.

Tickets will be sold during this next week, the charge being $1. All local democrats and other interested persons are urged to turn out for an evening of fun, and will be cordially welcomed at the Kings Beach Carpenter Hall on Thursday, March 20 at 7 o'clock.

For further information call I. O. Gifford in Truckee, or Asa Abbott in Kings Beach.

Trip East—
Mr. and Mrs. Keith Ross are returning this week from a trip to Colorado.

To Work—
Frank Giovannoni returned to work this week, following a recent illness. Mr. and Mrs. Giovannoni returned from Woodland Sunday.

HEARING TONIGHT ON DONNER ZONING

A public hearing on proposed zoning of the Donner Lake area as one of the first steps in a future county master plan will be held at 7:30 p.m. tonight by the Nevada County Planning Commission in the board of supervisors chambers in the court house.

Maps and notices have been posted in places in the Donner Lake area and court house in Nevada City showing plots of land outlined in color designating proposed commericial and residential zones for the public to view. All interested parties are invited to attend Thursday's hearing.

At Golf Tounrney—
Truckee people who attended the recent golf tourney held at Pittsburg included: Angelo Besio, Elden Tonini, Frank Gaiennie, Karl Kielhofer, Mr. and Mrs. J. Neugebauer, Mr. and Mrs. Lauren Russell, Mr. and Mrs. Robert Leamon.

LADIES AUXILIARY OF DEPARTMENT FORMED

A very enthusiastic group met at Donner Lake Lodge last Thursday night to organize the ladies' auxiliary of the Donner Lake Volunteer Fire Department.

Dr. Robert Affeldt and Dave Tremaine advised the group of the real need for such an organization and of the accomplishments already achieved by the men. Fire Chief Emery Lander also added a few words detailing the items still needed to establish a completely functional fire department.

Officers were elected and the next meeting date set. Elected were:

President, Laura Horman; vice-president, Bess Reid; secretary, Jean Walker; treasurer, Donna Warnke; board of directors, Dorothy Slack, Helen Doolittle, Virginia O'Bear, Janet Franklin, Eleanor Capel,

Auditors: Jeri Bonano and Ozella Slate.

Publicity, Charlotte Harris.

Those present at the meeting were Mesdames J. A. Gross, R. L. Harris, Hap Warnke, Chas. O'Bear, R. H. Slack, Ed Doolittle, Paul Capel, Richard Quist, Tommy Bonano, Richard Walker, Rex Reid, W. D. Maxey, Chas. Snow, Wm. Ventura, Vernon Davis, Ted Franklin, Roy Slate, Dan Horman, Joseph Herron, Hal Welch, Frank Snyder and Pat Hughes.

The next meeting will be a dinner meeting at Donner Lake Lodge All ladies of the Donner Lake area who were unable to attend the first meeting are urged to be at this meeting. Those who did at- on Thursday, March 20 at 7:30 p.m. tend won't need urging for the interest and enjoyment shown by all is what is needed to make a real success of this undertaking.

Home Again—
Mrs. Hannah Stewart who has been visiting her daughters -families at Reno for several weeks, has returned to her home.

Grows In Death Valley—
Mr. and Mrs. Leslie Grow returned from a trip to Death Valley and other places enroute.

Waters At Work—
Roy Waters returned to work folowing several days in Tahoe Forest Hospital.

March Days—
Donner Troop, No. 132, Girl Scouts, observed the March 3 and 11 birthdates of Dorette Rose and Marcia Leamon, after the Tuesday meeting. Mrs. Robert Leamon served the traditional cake and refreshment in honor of the combined occasion.

Annuals are plants which complete their life cycle in one year.

The first English expedition to circumnavigate the earth was led by Francis Drake in 1578-1581.

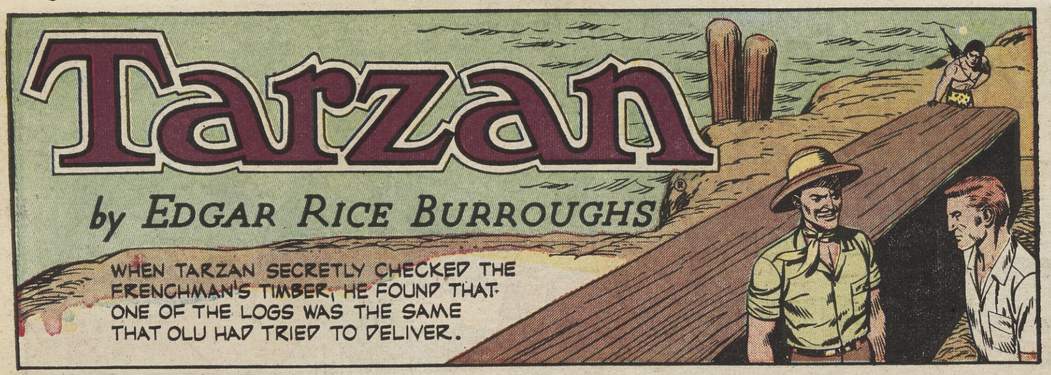
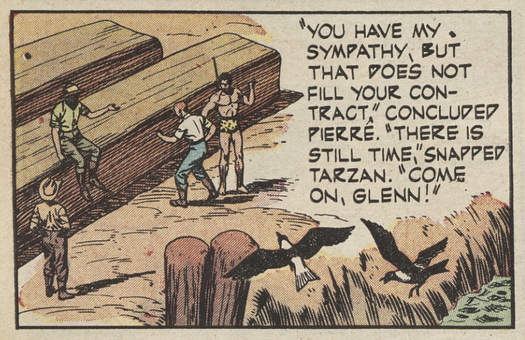
Tarzan

by EDGAR RICE BURROUGHS

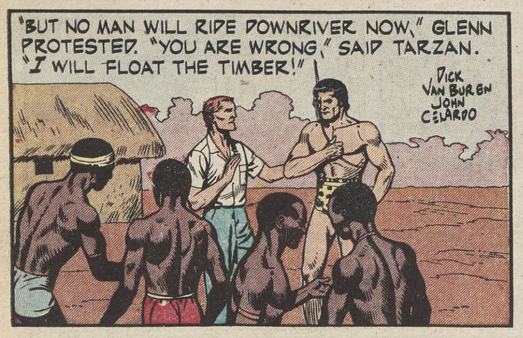


WHEN TARZAN SECRETLY CHECKED THE FRENCHMAN'S TIMBER, HE FOUND THAT ONE OF THE LOGS WAS THE SAME THAT OLU HAD TRIED TO DELIVER.

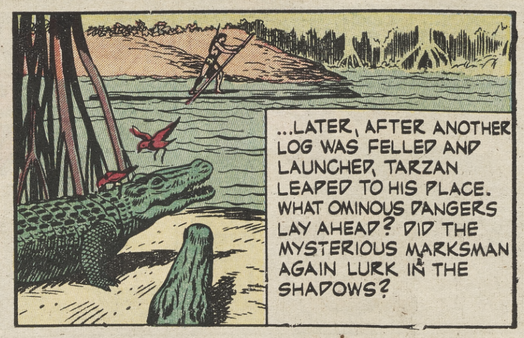


"YOU HAVE MY SYMPATHY, BUT THAT DOES NOT FILL YOUR CONTRACT," CONCLUDED PIERRE. "THERE IS STILL TIME," SNAPPED TARZAN. "COME ON, GLENN!"

...BACK AT THE LUMBER CAMP, THE APE-MAN SPOKE RESOLUTELY. "I HAVE A PLAN TO PROVE THAT OLU WAS MURDERED. I WILL NEED ONE MORE LOG--!"
Dist'r. by United Feature Syndicate, Inc.



"BUT NO MAN WILL RIDE DOWNRIVER NOW," GLENN PROTESTED. "YOU ARE WRONG," SAID TARZAN. "I WILL FLOAT THE TIMBER!"
DICK VAN BUREN
JOHN CELARDO



...LATER, AFTER ANOTHER LOG WAS FELLED AND LAUNCHED, TARZAN LEAPED TO HIS PLACE. WHAT OMINOUS DANGERS LAY AHEAD? DID THE MYSTERIOUS MARKSMAN AGAIN LURK IN THE SHADOWS?

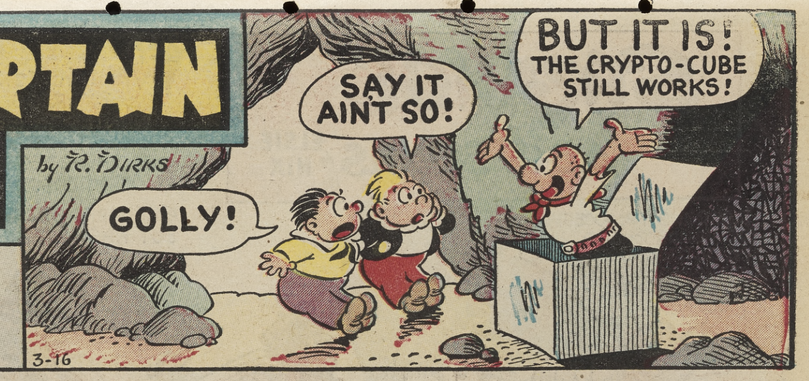
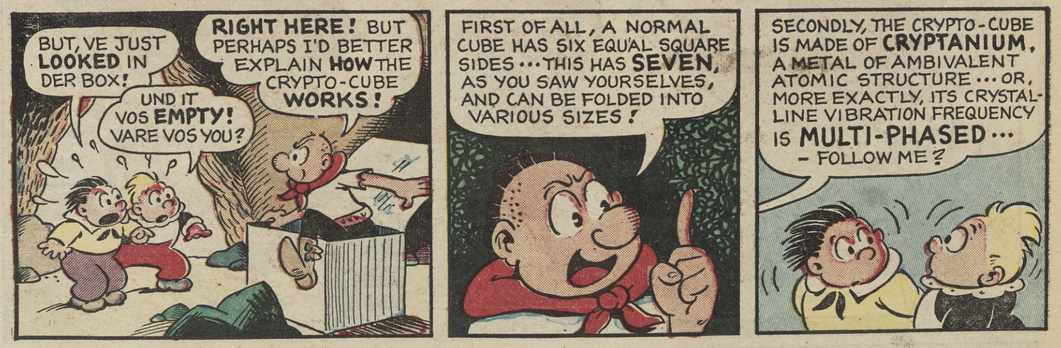
THE CAPTAIN AND THE KIDS

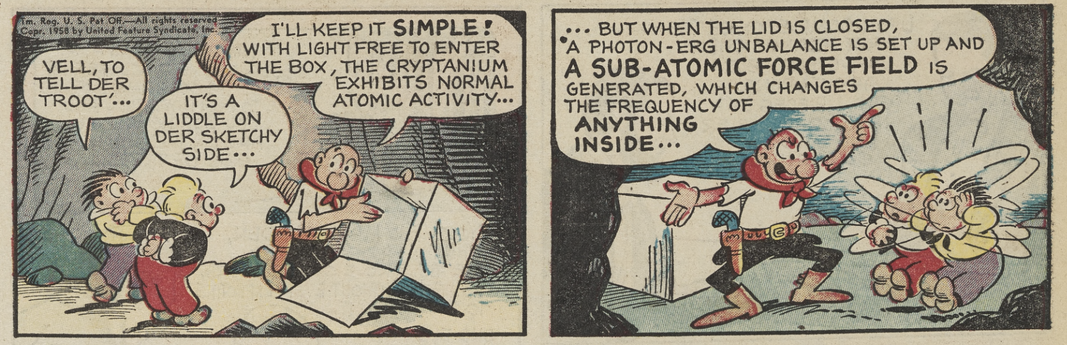
by R. DIRKS



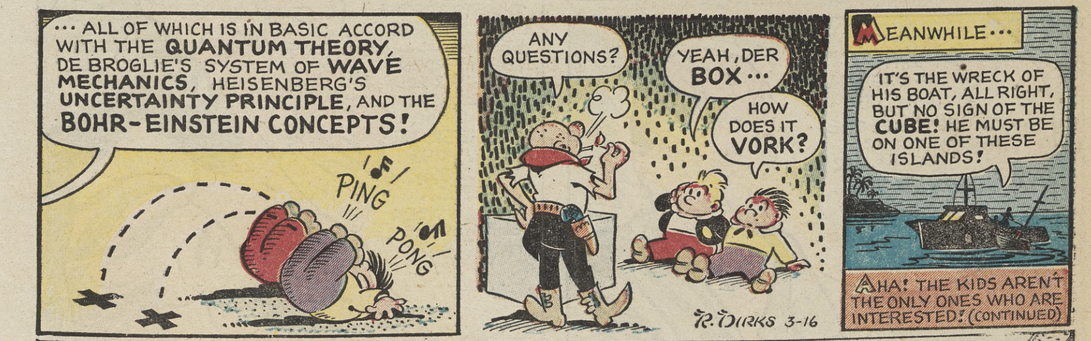
WHAT GOES ON? A MOMENT AGO THE BOX WAS EMPTY... ... NOW, SUDDENLY, IT'S FULL UP ... BUT DEFINITELY!



BUT, VE JUST LOOKED IN DER BOX!
UND IT VOS EMPTY! VARE VOS YOU?
RIGHT HERE! BUT PERHAPS I'D BETTER EXPLAIN HOW THE CRYPTO-CUBE WORKS!
FIRST OF ALL, A NORMAL CUBE HAS SIX EQUAL SQUARE SIDES ... THIS HAS SEVEN, AS YOU SAW YOURSELVES, AND CAN BE FOLDED INTO VARIOUS SIZES!
SECONDLY, THE CRYPTO-CUBE IS MADE OF CRYPTANIUM, A METAL OF AMBIVALENT ATOMIC STRUCTURE ... OR, MORE EXACTLY, ITS CRYSTALLINE VIBRATION FREQUENCY IS MULTI-PHASED ... - FOLLOW ME?



Tm. Reg. U. S. Pat. Off.—All rights reserved
Copr. 1958 by United Feature Syndicate, Inc.
VELL, TO TELL DER TROOT...
IT'S A LIDDLE ON DER SKETCHY SIDE...
I'LL KEEP IT SIMPLE! WITH LIGHT FREE TO ENTER THE BOX, THE CRYPTANIUM EXHIBITS NORMAL ATOMIC ACTIVITY...
... BUT WHEN THE LID IS CLOSED, A PHOTON-ERG UNBALANCE IS SET UP AND A SUB-ATOMIC FORCE FIELD IS GENERATED, WHICH CHANGES THE FREQUENCY OF ANYTHING INSIDE...



... ALL OF WHICH IS IN BASIC ACCORD WITH THE QUANTUM THEORY, DE BROGLIE'S SYSTEM OF WAVE MECHANICS, HEISENBERG'S UNCERTAINTY PRINCIPLE, AND THE BOHR-EINSTEIN CONCEPTS!
PING
PONG
ANY QUESTIONS?
YEAH, DER BOX ...
HOW DOES IT VORK?
R. DIRKS 3-16
MEANWHILE...
IT'S THE WRECK OF HIS BOAT, ALL RIGHT, BUT NO SIGN OF THE CUBE! HE MUST BE ON ONE OF THESE ISLANDS!
AHA! THE KIDS AREN'T THE ONLY ONES WHO ARE INTERESTED! (CONTINUED)

STRANGE as it seems

ELSIE & HIX ®

LIGHTNING PRODUCES 100 MILLION TONS OF FERTILIZER A YEAR! IT CHANGES THE INERT NITROGEN OF THE AIR TO NITRIC ACID...

THE NUMBER OF POINTS ON A DEER'S ANTLERS MAY NOT INDICATE ITS AGE... THE MOST ACCURATE METHOD IS BY EXAMINATION OF POINTS ON THE TEETH!

WHEN THE SON OF AGRIPPINA, EMPRESS OF ROME, WANTED TO GET RID OF HER, HE SENT HER ON A VOYAGE IN A SPECIALLY DESIGNED COLLAPSIBLE BOAT THAT COST A FORTUNE! -54 A.D.- SHE MANAGED TO SWIM TO SAFETY BUT WAS LATER MURDERED AT HOME!

3-16

UPON COMPLETION OF THE FIRST ATLANTIC CABLE, LEFT-OVER CABLE WAS CUT UP INTO SMALL PIECES BY A NEW YORK JEWELER AND SOLD AS SOUVENIRS!

"NATURE'S COMPASS"- OBSERVATIONS DISCLOSE THAT MOST OF THE SCARS AND BLOTCHES DUE TO SUN RADIATION AND WOOD-BORING INSECTS ARE ON THE SOUTH SIDE OF TREES...

IN SPITE OF HIS WISDOM, ARISTOTLE THOUGHT THAT THE BRAIN WAS A MECHANISM FOR COOLING THE BLOOD!

YOUTHFUL MARY GARDEN, WHEN IN PARIS, LEARNED THE TITLE ROLE OF THE OPERA, "LOUISE," WITHOUT EVER EXPECTING TO APPEAR IN IT... ONE EVENING THE STAR OF THE OPERA, MLLE. RIOTON, BECAME ILL... MISS GARDEN WAS HURRIEDLY CALLED UPON TO CONTINUE WITH THE 3RD ACT, THUS MAKING HER PROFESSIONAL DEBUT... WITHIN A WEEK SHE WAS THE FAVORITE OF PARIS! -1900-
